

“A Community of Faith”

During your time of prayer, speak this scripture and affirmation silently to yourself:

“Now faith is the assurance of things hoped for, the conviction of things not seen.” (Hebrews 11:1)

“I have total faith in God as source. Through faith, I open myself and my spiritual community to infinite, invisible substance that manifests to bless, to heal and to prosper.”

Unity on the Bay is now offering a new, 15-minute, noon “Community of Faith” prayer circle in the Prosperity Room. We would love to have you join us any day, Monday through Thursday, in this unified effort to bring abundance into each of our lives. We will not be praying for our money to hold out...we will be praying that our faith holds out.
