

Dear Potential Participant:

In these uncertain times, our Community needs open hearts and arms more than ever. Unity on the Bay heard this call from the community and is embarking on an expression of support. We want to invite you to participate with us in this vision.

On March 20th, Unity on the Bay's Angels Everywhere Outreach Program will be hosting the **2<sup>nd</sup> Annual Unity in the Community Fair: Support for Everyday Challenges**. This event is an outreach to our immediate community, providing much needed services and education, working with local businesses to strengthen our neighbors and neighborhoods.

Admission for the community fair will be free. The areas which will be covered through the Unity in the Community Fair are Healthcare, Social Services, Finances, Legal, Housing, Employment and other miscellaneous areas we feel would be of interest.

In Unity, we understand the idea that supporting each other through difficult times is the way in which we will raise our community from them. We also understand that your organization has a crucial role to play in uplifting this community. We ask that you consider sharing your expertise. Booths may be purchased at a nominal fee of \$125.

We would be most appreciative if we could discuss more thoroughly the ways in which this partnership can be shaped. Please feel free to contact us as soon as possible at [unitycommunity@unityonthebay.org](mailto:unitycommunity@unityonthebay.org).

Love in service,

Fathia Lyn
