

Dear Prospective Sponsor:

Last year, Unity on the Bay brought together a wide variety of resources in a one-day free community resource fair to address the wide range of issues affecting our congregants and neighbors in today's challenging economy.

Unity in the Community: Support for Everyday Challenges was an outreach to our immediate community, working with local non-profit and community based organizations to strengthen our neighbors and neighborhoods. Over 50 public and private institutions joined our efforts. Services provided information on how to address issues ranging from overwhelming credit card debt, to imminent loss of home through foreclosure, or to facing illness without insurance to how to deal with the red tape of a first time need to apply for food stamps and other social services.

Due to the favorable response of the community and recognizing that there is still a need for this type of event, on March 20th 2010, Unity on the Bay's Outreach Program will be hosting this event again.

We are reaching out to generous sponsors who are willing to provide us with the financial support to bring this project to fruition. We understand that your organization has played a crucial role in uplifting this community, and so we invite you to continue this support by becoming a sponsor of this community fair.

In response for your generous donation, you will receive a booth at the fair and if you have a banner, it will be displayed at the event; we will place your logo on all printed and emailed materials and your company will be mentioned during any press interviews. Any participants and sponsorship received after the due date will not be on printed promotional materials

We would be most appreciative if we could discuss more thoroughly the ways in which this partnership can be shaped. Please feel free to contact us at unitycommunity@unityonthebay.org.

Love in service,

Fathia Lyn
